

CONTRA COSTA
**MOSQUITO
& VECTOR
CONTROL**
DISTRICT

PACIFIC SOUTHWEST CENTER OF
EXCELLENCE IN
VECTOR-BORNE DISEASES

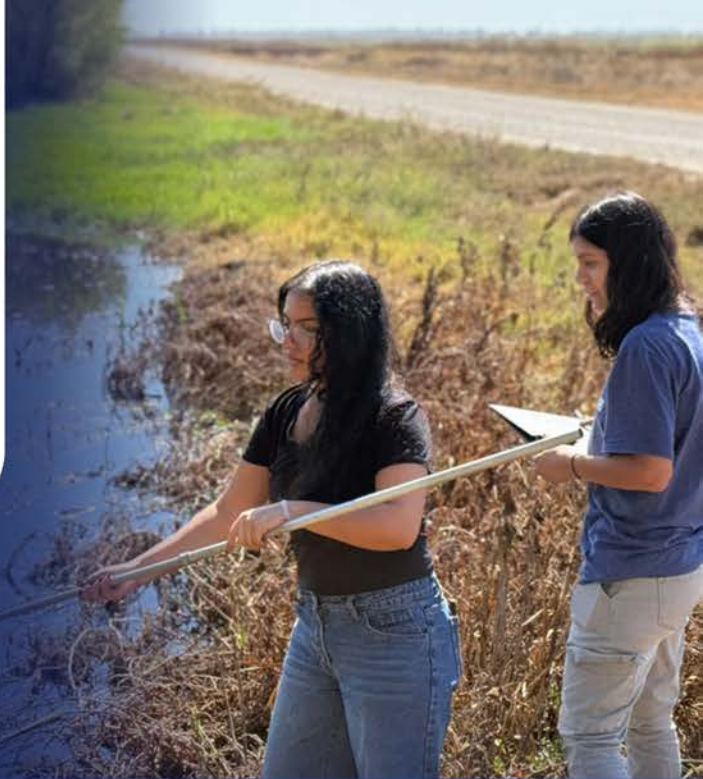

We're hiring a summer intern!

Intern with us this summer at the Contra Costa County Mosquito and Vector Control District in Concord, California, where you'll gain hands-on biological field and laboratory experience, including mosquito surveillance and identification. Your paid summer experience will culminate in a presentation at a state or regional vector control meeting in 2026. You'll also join a network of trainees in the region to continue building your skills and network, which could lead to potential future career opportunities!

Qualifications:

- ▶ Undergraduate at 2- or 4-year institution
- ▶ At least one course in biology
- ▶ Strong interest in biology and willingness to learn
- ▶ Valid drivers license insurable with our carrier
- ▶ Ability to work in the United States

APPLICATION DEADLINE:

OPEN UNTIL FILLED

INTERNSHIP DATES:

JUNE-SEPTEMBER

LOCATION:

CONCORD, CA

PAY:

\$20-25/HR

20-40 HRS/WEEK

HOW TO APPLY:

Complete an application form and list "Intern" in the email subject line and on your application materials:
