

PACIFIC SOUTHWEST CENTER OF
EXCELLENCE IN
VECTOR-BORNE DISEASES

We're hiring a summer intern!

Intern with us this summer at East Side Mosquito Abatement District in Modesto, California, where you'll gain hands-on biological field and laboratory experience, including mosquito surveillance and identification. Your paid summer experience will culminate in a presentation at a state or regional vector control meeting in 2026. You'll also join a network of trainees in the region to continue building your skills and network, which could lead to potential future career opportunities.

APPLICATION DEADLINE:

3/14/2025

INTERNSHIP DATES:

MAY-OCTOBER
FLEXIBLE WITH SCHOOL SCHEDULE

LOCATION:

MODESTO, CA

PAY:

\$18.44/HR
UP TO 40 HOURS/WEEK

HOW TO APPLY:

Complete the application form for "Extra Help Seasonal Mosquito Control Aide" and list "Intern" in the application materials and email subject line:

www.eastsidemosquito.com/extra-help-seasonal-mosquito-control-aide

Qualifications:

- ▶ Undergraduate at 2- or 4-year institution
- ▶ At least one course in biology
- ▶ Strong interest in biology and willingness to learn
- ▶ Valid drivers license
- ▶ Ability to work in the United States
