

We're hiring a summer intern!

Intern with us this summer at Pima County Health Department in Tucson, Arizona, where you'll gain hands-on biological field and laboratory experience, including mosquito surveillance and identification. Your paid summer experience will culminate in a presentation at a state or regional vector control meeting in 2026. You'll also join a network of trainees in the region to continue building your skills and network, which could lead to potential future career opportunities.

Qualifications:

- ▶ Undergraduate or recent graduate (2- or 4-year)
- ▶ At least one course in biology
- ▶ Strong interest in biology and willingness to learn
- ▶ Valid drivers license and ability to lift 50 pounds
- ▶ Ability to work in the United States

Questions? Email: PacVec-health@msteam.pima.gov

APPLICATION DEADLINE:

OPEN UNTIL FILLED

INTERNSHIP DATES:

10 WEEKS JUNE - SEPTEMBER

LOCATION:

TUCSON, AZ

PAY:

\$16.75/HR, 20 HRS/WEEK
